

TSX-V : LET

Letho Strengthens Board of Directors

Vancouver, British Columbia, March 13, 2018 – Letho Resources Corp. ("Letho", or the "Company") (TSX Venture symbol: LET) is pleased to announce the appointment of Mr. Jason Leikam to the Company's Board of Directors.

Mr. Leikam brings over 17 years' experience in resources to Letho. His focus has primarily been in a corporate development and administrative capacity with development and exploration companies. Mr. Leikam continues to serve as a director (since 2013) of Metgas Industries Ltd., a private natural gas technology company. He also serves as President and Director of Quantus Resources, a private mineral exploration company. From 2007 to 2011, he was manager of Corporate Development for Silvermex Resources Ltd, which was subsequently acquired by First Majestic Silver Corp in 2012, and Canabo Medical Inc. (formerly Auracle Resources Ltd.) from 2011 to 2016, a company that was operating a Canadian, physician-led clinic network for medical cannabis.

Forward-Looking Statements

This news release contains certain statements that may be deemed "forward-looking" statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although Letho Resources Corp. believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. Forward looking statements are based on the beliefs, estimates and opinions of Letho Resources Ltd. management on the date the statements are made. Except as required by law, Letho Resources Corp. undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
