Marijuana Investing: Will These Stocks Drop or Hit New Highs?

Toronto, Ontario ([FSCwire](#)) –The Canadian government recently introduced legislation as Canada moves one step closer to legalizing marijuana, however the ‘high’ for cannabis stocks was short-lived. In less than a week, industry leaders such as **Canopy Growth Corp.** ([TSX: WEED](#)) and **Aphria Inc.** ([TSX: APH](#)) shed 5.8% and 14.8%, respectively, as the White House made comments to enforce Federal marijuana laws more strictly. Is this a buying opportunity, or signs of an impending bubble that is about to burst and worthy of selling into? Today, we will examine the catalysts for both the bull and bear case, and you can decide for yourself on which side you reside.
